

VERTI-cutter

Thatch removal is critical for maintaining good turf. Our Verti-cutter makes the job easier and removes thatch better in all types of turf.

- Unique swing-hitch allows easy turns around objects.
- Quiet all-belt design means no chains to maintain.
- Pivot points in hitch allow unit to turn and float over uneven terrain.
- Centers automatically and locks for transporting.
- Deep cutting with minimal turf disturbance.
- 2 inch blade spacing.
- Up to 1-1/2 inches deep.

Widths: 60 Inches
