

LASTEC®

Manufacturer of the
World's Only High-Definition
Articulating Mowers

TURF/COMMERCIAL MODEL 3682

One of Lastec's Most Accurate Articulating Rotary Mowers

The Model 3682 is Lastec's most accurate self-contained Articulator. The four 21" (533.4 mm) individual rotary decks that make up the 82" (208.28 cm) cutting width deliver the highest quality and most accurate cut in the industry. The side reach is an impressive 27" (685.8 mm), making it perfect for cutting extreme contours where you need the deck to reach where other mowers can't. The low center of gravity allows the 3682 to safely maneuver where conventional steering wheel mowers go at their peril.

The 3682 delivers more productivity, greater accuracy and a wider range of capabilities than mowers costing thousands more.

L A S T E C

Manufacturer of the
World's Only High-Definition
Articulating Mowers

TURF/COMMERCIAL MODEL 3682

Quality Rotary Mowers for a World that isn't Flat

3682 SPECIFICATIONS*

- Engine: Four-cylinder 36 hp (24.61 kW) Kubota water-cooled, diesel
- Deck Configuration: Four 21" (533.4 mm), 4" (101.6 mm) deep articulating
- Transport Width: 78" (198.12 cm)
- Deck Height Range: 1" to 4 3/4" (25.4 mm x 120.65 mm)
- Overall Weight: 2,063 lbs (935.7 kg)
- Speed: Infinitely variable up to 9 mph (14.5 km/h)
- Warranty: Two years parts, one year labor

U.S. Patent Nos. 6,065,274
6,205,754
